Instructions:

Create a 3 3/8 x 5 1/2-inch card base with a top fold from white cardstock. Set aside.

Cut a 3 x 2-inch piece of white cardstock and trim one edge with "Stitched Edges". Stencil "Oscillations" across the piece with Wheat VersaMagic. Tap White Fine Pearl Medium PanPastel on top of the ink. Attach to the top of a 3 1/8 x 5-inch piece of white cardstock. Stamp the sentiment from "Heartfelt" in black ink. Attach the piece to the front of the prepared card with dimensional foam tape.

Die cut "Geometrics" from white cardstock, tap with VersaMark Watermark ink and sponge with Black Fine Pearl Medium PanPastel. Add another layer of VersaMark Watermark ink and sprinkle with clear embossing powder. Tap off excess and heat set.

Die cut a solid circle from white cardstock and paint with red acrylic paint. When dry, pounce with VersaMark Watermark ink and sprinkle with clear embossing powder. Tap off excess powder and heat set.

Attach the finished "Geometrics" design on top of the red circle. Insert a gold brad and attach to the front of the prepared card as shown.
