Instructions:

Trim, score, and fold cardbase. Trim white front panel slightly smaller, and use stencil to apply embossing paste. Set aside to dry. Heat emboss penguin and sentiment on corner piece of vellum. Trim and attach with glitter washi tape to side of embossed panel. Punch a hole through both layers, tuck a bundle of silver thread behind, and then tie together with a piece of black jute twine. Add a strip of black cardstock to cardbase, then attach front panel with foam adhesive.
