Instructions:

Stamp one girl image on a scrap piece of white cardstock, mask the girl and stamp the other girl image overlapping a bit. Remove mask and color the images with copic markers. Brush clear shimmer using Wink of Stella on the colorful hat, scarf, red bow on the gift and shoes. Then fussy cut the image out.

Freehand cut out two snow mounds out of white glitter cardstock.

Mask the bottom one third of the card front and sponge Salty Ocean distress ink fading away to the top. Also sponge the top corners.

Adhere the snow mounds on the bottom of the card front using foam adhesive and the inner mound flush on the card front.

Adhere the colored image using foam adhesive.

Wrap the silver twine around the snow mound and make a bow.

Stamp the sentiment on a strip of white cardstock, trim fish tail end, and adhere using foam adhesive.

Embellish with silver droplets.
