Instructions:

Rajni created a background with a watercolor technique using Peeled Paint, Vintage Photo and Walnut Stain Distress Ink and cut it with zigzag stitched rectangles.

Then Rajni cut a frame using large two dies from white cardstock. The image from Penny Black clear set 30-331 Critter Love is stamped with black archival, painted with watercolor pencils, fussy cut and then layered.

Flower image is from Penny Black 30-325 All Abloom. She then painted the flower images with watercolor pencils, fussy-cut and adhere with dimensional glue dots to create a scene. The tiny fly image is from Clear set 30-151 Fairy Sweet.

Rajni glued a hand torn red corrugated sheet to the backdrop for highlighting. Sentiment is stamped using black Archival ink and is combined using 2 stamps: 30-297 Sparkles and Smiles and 30-325 All Abloom.
